

VARI FLAT PLATFORM BODY

The Rugby Vari Flat platform body is built tough to exceed industry standards. Available in 3 styles - Standard Duty, Heavy Duty, and Super Heavy Duty - the Rugby Vari Flat body is ready to go to work. The Vari Flat is the strong base for our Vari-Class™ Platform Line.

Check out the specs to find the right model and length for you! Our Standard Duty, Heavy Duty, and Super Heavy Duty models are constructed similarly, but have differences in available lengths and material strength. With models ranging from 9' - 24' and a variety of floor materials available, the Vari Flat has a configuration that can work for you!

Vari Flat platforms come with high tensile steel rub rails, a full rear apron, and double-walled stake pockets to fit your needs. A newly added rear corner pocket can accommodate all-new features on Vari Side rear doors.

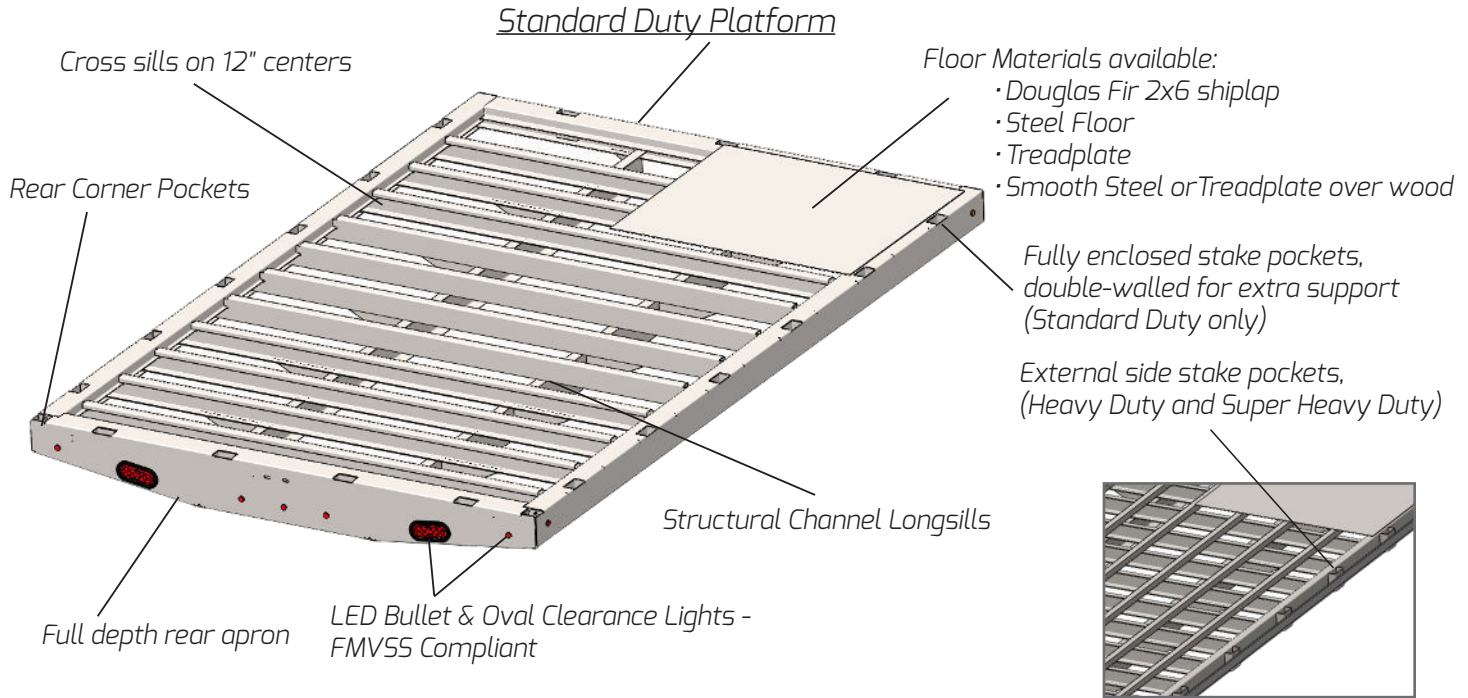

Built with versatility at its core, the Vari Flat's stake pockets have been standardized to fit all Vari-Class™ side options, and the flat is able to transform into a stake body, cargo body, or even a contractor body!
