

TITAN

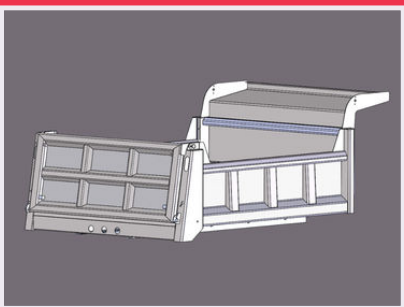

Introducing the re-designed heavy-duty Titan. Featuring a dirt-shedding top rail, sloped tailgate, and radius front corner posts, the Titan has a sleek yet strong look. Titan's versatility is unmatched, serving every application from snow & ice to construction to landscaping – the perfect choice for municipalities, fleets, contractors, and more. We're so confident in Titan's rugged reliability, we've backed it by our exceptional 3-year warranty.

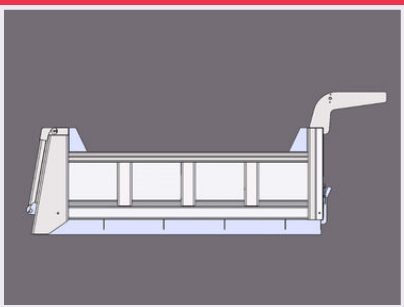

OPTIMIZED DESIGN

4" I-beam crossmember stacked on 12" centers on top of 7" structural longmembers

DURABLE CONSTRUCTION

- Floor sheet: 7 gauge standard, or optional 3/16" AR450
- Sides & ends: 10 gauge standard, or optional 7 gauge

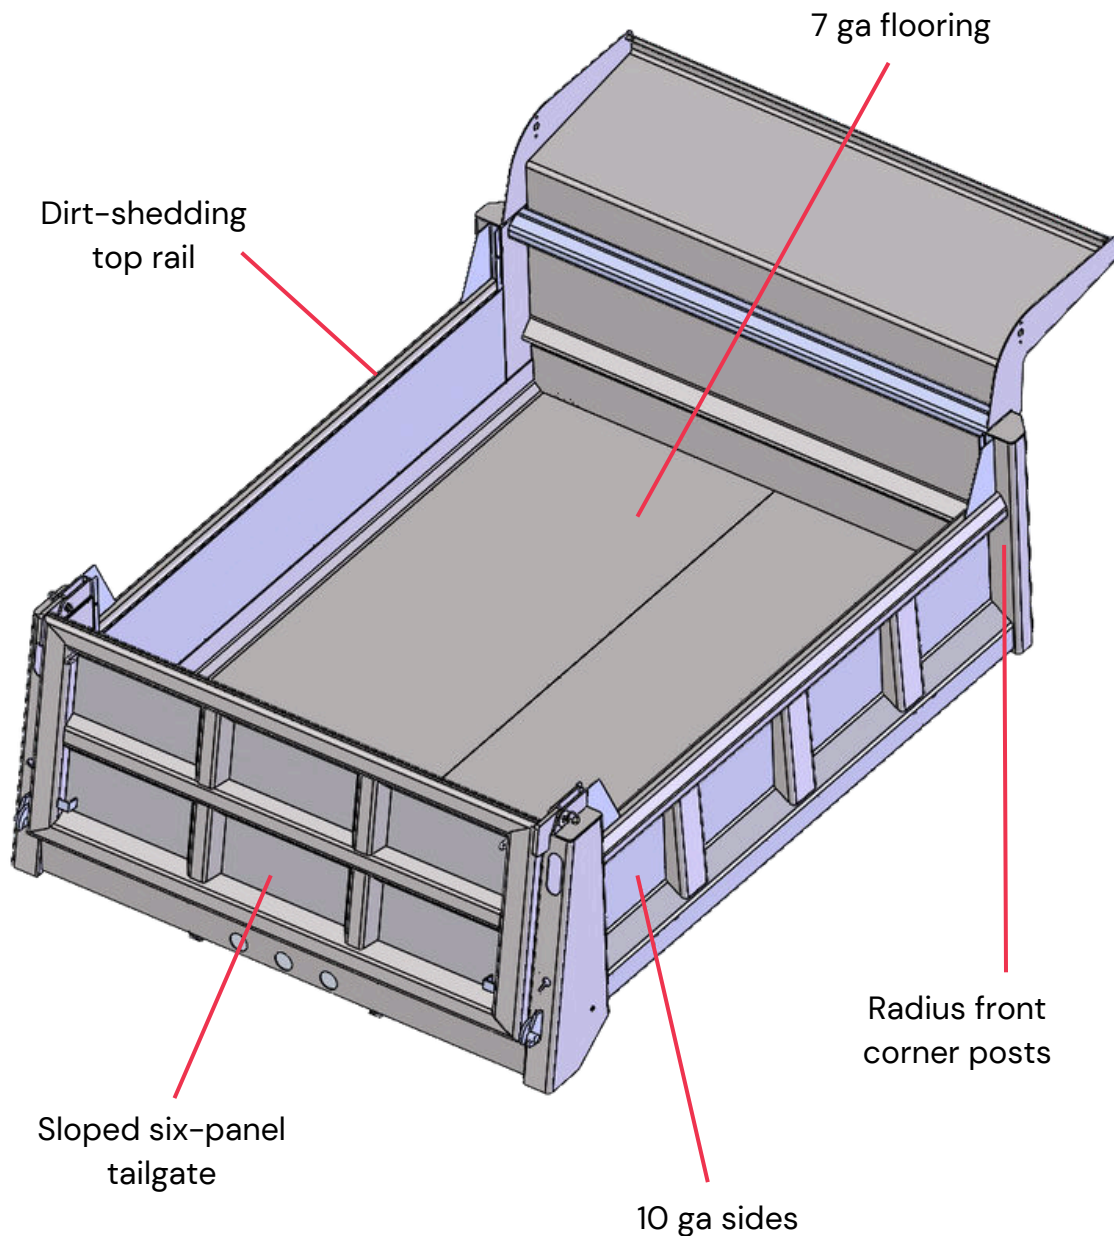

TOP-QUALITY MATERIALS
