

LANDSCAPE UNIBODY

A newly redesigned model of our Landscape Unibody is now available and engineered for maximum functionality! This product is ideal for landscape applications, particularly for users looking for exceptional strength, durability, and impact resistance. The Landscape Unibody is a fully-welded, stakeless body with dumping capabilities, offered in standard or heavy-duty configurations, with a 3-door rear gate (pictured above) available as an option. The Rugby quality and functionality you know and trust, now made even better!

CAM-LATCH (STANDARD)

Ensures a quick and simple close with peace of mind. Only on 2-door rear configuration.

*Pictured with heavy-duty latch design

BARN DOOR OVER FOLD-DOWN TAILGATE (OPTIONAL)

Additional rear gate style option supports efficient loading, hauling, and dumping.

CURBSIDE DOOR

Curbside door is perfect for easy access to the bed and great for pallet loading.

3-door rear gate (optional)

10 gauge flooring

Curbside front door opening

Greaseable exterior hinges

Built-in door holders to easily pin doors
